Dear Parents/Carers,

Year 5 Swimming lessons 2023

The details for the swimming lessons for the year 5 children are as follows. These lessons form part of the National Curriculum and it is compulsory that all children take part.

This year the sessions will be starting on June 7th, 8th, 9th, 14th, 15th, 16th, 21st and 22nd. The sessions are held at Axholme North swimming pool and commence at 1.15pm. Children will walk to and from the pool with staff. Each lesson will be for one hour and children will return to school approximately 3pm.

All children will require their own swimming costume (preferably trunks rather than shorts and full costume rather than bikinis) and a towel, which should be carried in a waterproof container (PE Bag or plastic carrier bag). Children, especially those with long hair, may also wear a swimming cap and are advised not to wear jewellery on swimming days (earrings, watches), as there is no safe place to leave them.

Children who use inhalers should take an inhaler to the poolside where they will be available should there be an emergency. The school needs to be informed of any other medical problems that could put a child at risk (e.g. Epilepsy etc.) if we are not already aware. Any child suffering from verruca infections will only be allowed in the pool if wearing verruca socks, which can be obtained from the chemist.

If you have any queries, please do not hesitate to contact the office on 710312.

Yours sincerely,

Mrs. Rhonda Blakemore
Headteacher
