

Curriculum	Y5/6 Autumn Term 1 Learning
English	<p style="text-align: center;">Macbeth</p> <p style="text-align: center;"><i>Reading, writing and grammar skills will be taught through these novel studies. At the end of the unit, the children will write a narrative, poem and a newspaper article.</i></p>
Mathematics	<p style="text-align: center;">Maths Y6</p> <p style="text-align: center;">Number and place value - Represent, read, write, order and compare numbers up to ten million. Round numbers, make estimates and use this to solve problems in context. Solve multi-step problems involving addition and subtraction</p> <p style="text-align: center;">Calculations - Solve addition and subtraction multi-step problems in contexts, deciding which operations and methods to use and why. Solve problems involving addition, subtraction, multiplication and division. Use estimation to check answers to calculations and determine, in the context of a problem, an appropriate degree of accuracy</p> <p style="text-align: center;">Fractions - Use common factors to simplify fractions; use common multiples to express fractions in the same denomination</p>
Science	<p style="text-align: center;">Evolution</p> <p style="text-align: center;">Know how the Earth and living things have changed over time Know how fossils can be used to find out about the past Know about reproduction and offspring (recognising that offspring normally vary and are not identical to their parents) Know how animals and plants are adapted to suit their environment Link adaptation over time to evolution</p>
PE	<p style="text-align: center;">Gymnastics – Body Management</p> <p style="text-align: center;">Create and perform a sequence of balances with consistency</p> <p style="text-align: center;">Cricket with NL Cricket</p> <p style="text-align: center;">We have 6 weeks of cricket coaching this half term where we will learn and develop skills such as throwing, catching, batting, bowling, fielding.</p>
Computing	<p style="text-align: center;">Coding</p> <p style="text-align: center;"><i>In this unit the children will begin to explore more complex programming. They will learn how to turn a more complex programme into an algorithm and design and write their own programme.</i></p>
RE	<p style="text-align: center;">Christianity – Is anything ever eternal?</p> <p style="text-align: center;"><i>Explain what Christians might learn about life after death from a Bible story Ask important questions about eternity and reflect my own beliefs about whether anything is eternal. Make links between different Christian beliefs and their views on whether anything is ever eternal.</i></p>
Music	<p style="text-align: center;">Music and Technology</p> <p style="text-align: center;">In this unit, the children will develop their skills in listening and responding, singing, playing instruments and composing.</p>
PSHE	<p style="text-align: center;">Being me in My World</p> <p style="text-align: center;">In this unit the children will learn how to recognise challenges and tackle them with positivity. They will learn the rights and responsibilities they have as a British citizen and as a member of our school community.</p>
Wellbeing	<p style="text-align: center;">Wonderful me</p> <p style="text-align: center;">In this unit children will explore their feelings and begin to understand how they can take responsibility for them.</p>
French	<p style="text-align: center;">Les saisons</p> <p style="text-align: center;">In this unit the children will be exploring the seasons.</p>
