

Dear parents/carers,

As part of our learning in history this term, we have booked an Ancient Egyptian History day on Wednesday March 27th, this will be instead of a trip this term as you can probably guess we are unable to actually go to Egypt!

The providers will arrive in school and deliver a full interactive day of Ancient Egyptian History activities, to link to our Ancient Egypt topic.

The day is for year 3 & 4 children and will include an interactive workshop where the children will be welcomed to the Egyptian empire. They will discover how Howard Carter felt as he discovered the tomb of Tutankhamun. The children will discover how the ancient Egyptians lived and what they wore. The children will find out why the Gods were an important part of society and get introduced to several Egyptian Gods.

The cost of this experience day will be £7.00 per child. Unfortunately, due to constraints on school budget we are unable to fund this so are asking parents to help us provide this exciting day for the children. Please pay via parent pay. The deadline for payment is Friday 15th March 2024.

Many thanks

Mrs Cat Hegarty and Mrs Lucy Wilson
