

Curriculum	Y6 Spring 1 Learning
English	<p style="text-align: center;">Reading - The Unforgotten Coat by Frank Cottrell-Boyce The children will read this novel and practise reading comprehension skills.</p> <p style="text-align: center;">Writing – Refugees In this unit, the children will learn how to write a speech.</p> <p style="text-align: center;">Spelling and Grammar Children will use the sounds and syllables approach to practise spellings. Children will practise grammar skills which will support them in their writing</p>
Mathematics	<p style="text-align: center;">Maths Y6</p> <p style="text-align: center;">Ratio – use the language of ratio, solve ratio problems including scaled drawings. Understand proportion and be able to solve problems.</p> <p>Algebra - use simple formulae, generate and describe linear number sequences, express missing number problems algebraically, find pairs of numbers that satisfy an equation with 2 unknowns and enumerate possibilities of combinations of 2 variables</p> <p style="text-align: center;">Decimals – revise the place value of integers and decimals, round decimals, multiply and divide with integers and decimals.</p>
Science	<p style="text-align: center;">Living things and Habitats/ Lifecycles</p> <p style="text-align: center;">In this unit, the children will learn about the life cycles of a mammal, amphibian, an insect and a bird</p> <p style="text-align: center;">Describe the changes as humans develop into old age. Describe the life processes of reproduction in some plants and animals.</p>
History	<p style="text-align: center;">Anglo Saxons (invaders and settlers)</p> <p style="text-align: center;"><i>In this unit, the children will learn about the life and battles of the Anglo Saxons in England until the Battle of Hastings including a local history study of the Crowle Stone.</i></p>
PE	<p style="text-align: center;">Gymnastics</p> <p style="text-align: center;">The children will practise and perform a sequence combining key aspects of gymnastics with control and poise.</p> <p style="text-align: center;">Tag Rugby</p> <p style="text-align: center;">Children will develop their understanding of attack and defence in invasion games. They will learn and then apply strategies, skills and tactics into games.</p>
Computing	<p style="text-align: center;">Databases</p> <p style="text-align: center;">In this unit, children will learn how to search for information in a database, contribute to a class database and create a database around a chosen topic.</p>

Art	<p style="text-align: center;">Making Monotypes</p> <p>Children will learn that Monotype is a process where we make images by transferring ink from one surface to another to make a single print. That we can use the “distance” that monotype gives us between mark making and outcome to make images with texture and a sense of history/process. That we can combine monotype with other disciplines such as painting and collage.</p>
RE	<p style="text-align: center;">Hindu belief that there is one God with many different aspects.</p> <p style="text-align: center;">In this unit, children will explore Hindu beliefs regarding Brahma.</p>
Music	<p style="text-align: center;">Dona Nobis Pacem</p> <p style="text-align: center;"><i>Through a wide range of music styles, children will practice listening, singing, playing, improvising and composing and performing.</i></p>
PSHE	<p style="text-align: center;">Dreams and Goals</p> <p style="text-align: center;"><i>In this unit the children will learn how to set goals and steps for success, they will consider world problems - how to manage emotions about these and how they can work with others to make the world a better place, how to recognise the achievements of others.</i></p>
Languages (French)	<p style="text-align: center;">Les Planete</p> <p style="text-align: center;"><i>Children will use a language scaffold to make a statement about the position of planets in simple sentences using familiar and rehearsed language. Use a language scaffold to give a description (of a planet. Write more complex sentences to describe the position of planets using a language scaffold. Read and show understanding of a complex sentence using familiar language</i></p>
