Justice®

Why are justice and fairness important?

- To make sure that everyone has the chance to succeed.
- To make our home, school, community and world a better place for all people.

What are ways we can show justice and fairness at our school?

- Treat all people equally - the same.
- Cooperate with one another.
- Be respectful and listen to what others have to say.
- Be willing to do what is best for everyone.
- Play by the rules at all times; be a good sport.
- Include others in games and activities. Don't leave people out.
- Understand that being fair doesn't always mean the same treatment in every circumstance. For example, you may have an earlier bedtime than your older brother, or your younger sister may not have as many household chores as you.
- Stand-up for someone you see being treated unfairly – you can make a difference!

EQUAL IS

everyone getting the same thing.

FAIR IS

everyone getting what
they need in order to
be **SUCCESSFUL**

We will always try to be *fair*
but it won't always feel *equal*
